Apocrypha Book of Wisdom

Wis 16:20 Instead whereof thou feddest thine own people with angels' food, and didst send them from heaven bread prepared without their labour, able to content every man's delight, and agreeing to every taste.

Wis 16:21 For thy sustenance declared thy sweetness unto thy children, and serving to the appetite of the eater, tempered itself to every man's liking.

“MESSAGE OF THE MANNA”

PART 1: PEARLS

3

What is the Message of the Manna?

M = Moving
 A = Away from
 N = Nasty
 N = Nutrition (physically & spiritually) / (amount & frequency)
 A = And drawing near to Him in a Covenant Obedient Lifestyle

4

What does the title 'PEARLS' have to do with Manna?

Please turn to:
 Gen. 2:10-12
 Num. 11:7

We will find that the topic on 'Manna' will take us to:
Exodus 16:1 (the first mention of manna), and the focus of that is called the name Manna. And it was like quince, coriander seed, and the taste of it was like thin cakes, made with honey.
Numbers 11:7 (is where Manna is said to be like coriander seeds & has an appearance of bdellium) (There are only 2 mentions of bdellium which then leads us to:
Gen. 2:10-12 (the first mention of bdellium),
 And later the topic of 'Manna' will lead us to **Rev. 2:17** and **Rev. 2:1**
 In Gen. 2:10-12 we will immediately see royal/priestly elements encircled in T'vavish closest to E'den or closest to Yahush.

The Bdellium Connection

Gen 2:10 And a river went out of Eden to water the garden, and from there it divided and became four heads.
 Gen 2:11 The name of the first is P'aradise. It is the one surrounding the entire land of T'vavish, where J'arad is post.
 Gen 2:12 And the gold of that land is good. **Bdellium** is there, and the **shoham stone**.

Num 11:7 Now the **manna** was like coriander seed, and its appearance like the **appearance of bdellium**.

manna
 (n) mā'nā
 noun
 is the Bible, the food miraculously provided for the Israelites in the wilderness during their 40-year sojourn.
 Spiritual nourishment of divine origin.
 Something of value that a person receives unexpectedly.

bdellium
 (n) b'dēllī'um
 noun
 An aromatic gum resin similar to myrrh, produced by certain Asian and African shrubs or trees of the genus Commiphora.
 A name given to two aromatic gum-resins, similar to myrrh, but weaker.
 An unidentified substance mentioned in the Bible (Gen. 2:12 and Num. 11:7), "whose smell is like quince, a precious stone, or pearl, or perhaps a kind of amber, found in Arabia."

6

Regarding Bitumen as a fragrant gum/resin possibly connects Bitumen to gemstones or a type of stone. For instance, **Bitumen** is fossilized resin it has made itself a place in the world of gemstones...

Therefore, resin is known to **transform** from a liquid to a solid and a solid to a liquid.

Eph 4:30 And do not grieve the **Set-apart Spirit of Elohim**, by whom you were sealed for the day of redemption.

SURVIVAL USES for Tree Resin

A healthy human body is impressive in its ability to heal itself. Your skin can knit itself back together after a minor cut or burn. When correctly set, a broken bone can mend itself.

Did you know that many trees have a similar ability?

For example, when a pine tree loses a limb you will notice that a sticky substance – sometimes called pitch – flows from the tree and covers the open area, essentially covering the wound like a bandage. This substance, called resin, keeps parasites and predators out of the tree and eventually hardens to form a permanent protective seal.

For thousands of years people all over the world have incorporated the healing powers of tree resin into their medicines.

10

What is Tree Sap vs Tree Resin?

Before we get to the uses for tree resin, it is important to make the distinction between tree sap and tree resin. Although many people confuse the two, they are actually different substances.

Most trees produce sap, but only trees that belong to the Pinaceae family – including pine, fir, and cedar trees – produce resin. Another way to look at it is that trees that shed their leaves each year – called deciduous trees – usually have sap but do not produce resin. Coniferous or evergreen trees usually produce both sap and resin.

The liquid that comes from a maple tree is a sap, not a resin. Sap is a thin, clear, watery substance, while resin is thick, amber-colored, and sticky.

Survival Uses for Resin (Keep in mind the definition of Bitumen was a possible gum or resin. Therefore, there possibly were medicinal purposes connected to the material. We also see similar qualities provided thru Yahuwa.)

Wound Healing by

- *Protecting against bacteria
- *Fighting inflammation
- *Reducing scarring
- *Promoting faster healing

Water-proof adhesive, pitch Noah's Ark, Moses' Basket, **Yahuwah seals His people...**

- *Fire Starter (Israel is a fire, Joseph a flame)
- *Light Source
- *Pain Reduction
- *Skin Treatment
- *Sore throat aid
- *Soap
- *Crippling and Friction

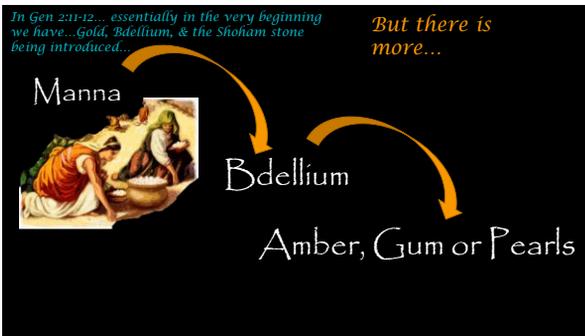

Human use of plant resins has a very long history that was documented in ancient Greece by Theophrastus, in ancient Rome by Pliny the Elder, and especially in the resins known as frankincense and myrrh noted in ancient Egypt! These were highly prized substances, and required as incense in some religious rites.

Rev 21:21 And the twelve gates were twelve pearls – each one of the gates was a single pearl. And the street of the city was clean gold, like transparent glass.

Let's ponder this... were the gates of pearl, oyster pearls or possibly bdellium (pearls)?

We know the gates have the names of the 12 Tribes written upon them (Rev. 21:12) just like the onyx (shoham) stones on the shoulders of the High Priest had the names of the 12 tribes (6 on each shoulder). *(The bdellium pearl is associated to one aspect of Israel generally or many people, it will also see the names and other original source in Rev. 2:17)*

Question: Would it be an oyster pearl from an unclean creature? Can anything clean come out of unclean? Or possibly all things one day will be made clean... ???

1Pe 2:4 Drawing near to Him, a living Stone – rejected indeed by men, but chosen by Elohim and precious –

1Pe 2:5 you also, as living stones, are being built up, a spiritual house, a set-apart priesthood, to offer up spiritual slaughter offerings acceptable to Elohim through Messiah.

1Pe 2:6 Because it is contained in the Scripture, "See, I lay in T'siyon a chief corner-stone, chosen, precious, and he who believes on Him shall by no means be put to shame."

1Pe 2:7 This preciousness, then, is for you who believe; but to those who are disobedient, "The stone which the builders rejected has become the chief corner-stone,"

THE MESSAGE OF THE MANNA INVOLVES EXERCISING BIBLICAL OBEDIENCE
OVER BOTH OUR PHYSICAL & SPIRITUAL DIETARY APPETITES WHICH SHOULD HAVE BEGUN AT OUR EXODUS

Exo 12:18 "In the first month, on the fourteenth day of the new moon, in the evening, you shall eat unleavened bread until the twenty-first day of the new moon in the evening.
Exo 12:19 "For seven days no leaven is to be found in your houses, for if anyone eats what is leavened, that same being shall be cut off from the congregation of Yisra'el, whether sojourner or native of the land.
Exo 12:20 "Do not eat that which is leavened - in all your dwellings you are to eat unleavened bread."

22

Yahusha's food was to do the desire of His Father

Joh 4:31 But in the meantime His taught ones were asking Him, saying, "Rabbi, eat."
Joh 4:32 And He said to them, "I have food to eat of which you do not know."
Joh 4:33 Then the taught ones said to each other, "Did anyone bring Him food to eat?"
Joh 4:34 **yahui** said to them, "My food is to do the desire of Him who sent Me, and to accomplish His work."

23

YAHUSHA'S SPIRITUAL MANNA & MINISTRY SUPERSEDED HIS NEED FOR MANNA IN THE NATURAL

Yahusha Heals a Boy with a Demon

Mat 17:14 "And when they came to the crowd, a man came up to Him, kneeling down to Him and saying,
Mat 17:15 "Master, have compassion on my son, for he is an epileptic and suffers badly, for he often falls into the fire and often into the water.
Mat 17:16 "And I brought him to Your taught ones, but they were unable to heal him."
Mat 17:17 And **yahui** answering, said, "O generation, unbelieving and perverse, how long shall I be with you? How long shall I put up with you? Bring him here to Me."
Mat 17:18 And **yahui** rebuked the demon, and he came out of him. And the child was healed of that hour.
Mat 17:19 Then the taught ones came to **yahui** by Himself and said, "Why were we unable to cast him out?"
Mat 17:20 And **yahui** said to them, "Because of your unbelief, for truly I say to you, if you have belief as a mustard seed, you shall say to this mountain, 'Move from here to there,' and it shall move. And no matter shall be impossible for you."
Mat 17:21 "But this kind does not go out except through prayer and fasting."

24

OBEDIENT DISCIPLINES BEGIN WITH INSTRUCTIONS & PRACTICE IN THE NATURAL THEN THOSE DISCIPLINED SKILLS CREATE SUCCESS FOR OUR SUPERNATURAL SPIRITUAL JOURNEY

1Co 15:45 And so it has been written, "The first man Adam became a living being,"^{Gen. 2:7} the last Adam a life-giving Spirit.

1Co 15:46 The spiritual, however, was not first, but the natural, and afterward the spiritual.

1Co 15:47 The first man was of the earth, earthy; the second Man is the Master from heaven.

1Co 15:48 As is the earthy, so also are those who are earthy; and as is the heavenly, so also are those who are heavenly.

1Co 15:49 And as we have borne the likeness of the earthy, we shall also bear the likeness of the heavenly.

25

Dan 1:12 "Please by your servants for ten days, and let them give us vegetables to eat and water to drink.

Dan 1:13 "Then let our appearances be examined before you, and the appearances of the young men who eat the portion of the sovereign's food. And do with your servants as you see fit."

Dan 1:14 And he listened to them in this matter, and tried them ten days.

Ancient Healing Practitioners of Today that We Can Get Cues From
 Many of our finest natural healers were persecuted or killed for the vital information they provided around healing. And it's no wonder, their healing herbs had much in common. Let's look at some of the healers here in North America and their herbal remedies to learn what they had in common. There are many more than are listed here.

Dr. Sebi came up with the African Bionominal Diet after he was cured of mental illness, impotence and diabetes by using a ninety deer feet with herbs. He retired from engineering and chose to heal people instead. He studied the herbs that had healed him in West Africa.

After defending himself against the FDA in a trial of the NY Supreme court, Dr. Sebi was proven, with evidence, to have cured AIDS, diabetes, cancer and more. Sebi was a self-taught engineer who spent most of his childhood in nature observing the "precession of life."

According to Sebi, "our pituitary gland is made of carbon and our cerebral cortex copper. These are the two elements of any power generator. He used herbs to heal and maintain the "electric body," Sebi's Bio and Bio-Flourishing products. His Iron supplement, Maya and his use of Irish Moss for mineral balance provide accessible clues to natural healing. <https://www.youtube.com/watch?v=9m8t8gY1m0c>
